#### [Paragraph1]

Now – Now let me be clear. Let me be clear. We have real enemies in the world. These enemies must be found. They must be pursued. And they must be defeated. John Kerry knows this. And just as Lieutenant Kerry did not hesitate to risk his life to protect the men who served with him in Vietnam, President Kerry will not hesitate one moment to use our military might to keep America safe and secure.

#### [Paragraph2]

John Kerry believes in America. And he knows that it's not enough for just some of us to prosper -- for alongside our famous individualism, there's another ingredient in the American saga, a belief that we are all connected as one people. If there is a child on the south side of Chicago who can't read, that matters to me, even if it's not my child. If there is a senior citizen somewhere who can't pay for their prescription drugs and having to choose between medicine and the rent, that makes my life poorer, even if it's not my grandparent. If there's an Arab American family being rounded up without benefit of an attorney or due process, that threatens my civil liberties.

[Paragraph3]

It is that fundamental belief, it is that fundamental belief -- I am my brother's keeper; I am my sister's keeper -- that makes this country work. It's what allows us to pursue our individual dreams and yet still come together as one American family: E pluribus unum, "out of many, one".

[Paragraph4]

Now even as we speak, there are those who are preparing to divide us, the spin masters, the negative ad peddlers who embrace the politics of "anything goes." Well, I say to them tonight, there is not a liberal America and a conservative America; there's the United States of America. There is not a black America and a white America and Latino America and Asian America; there's the United States of America.

[Paragraph5]

The pundits, the pundits like to slice-and-dice our country into Red States and Blue States: Red States for Republicans, Blue States for Democrats. But I've got news for them, too. We worship an "awesome God" in the Blue States, and we don't like federal agents poking around in our libraries in the Red States. We coach Little League in the Blue States and, yes, we've got some gay friends in the Red States. There are patriots who opposed the war in Iraq, and there are patriots who supported the war in Iraq. We are one people, all of us pledging allegiance to the stars and stripes, all of us defending the United States of America.
